For Immediate Release

March 28, 2017

New Online Form for Bylaw Services Complaints

In an effort to improve service, the City of Williams Lake wishes to encourage residents to use its new online submission form for Bylaw Services related complaints. The City has moved to a “written only” format for all Bylaw Services related complaints and concerns. Telephone complaints are no longer accepted.

A link to the online complaint form can be found on the City of Williams Lake’s webpage at www.williamslake.ca. For residents that do not have web access, complaint forms can be picked up and submitted at the City Hall front counter or at the Fire Hall from 8:30 am to 4:30 pm.

For more information, contact Brendan Foote, Senior Bylaw Officer, at 250-392-4321.
