## City Portion of River Valley Reopened at Noon Today

The portion of the River Valley within the City of Williams Lake's jurisdiction will be open at noon today for pedestrian/non-motorized vehicle access only. This area will be clearly marked by signage.

The Ministry of Forests, Lands and Natural Resource Operations is in the process of reviewing the area of the River Valley under its control and will advise of any changes to its restrictions as applicable. At this time, the areas under FLNRO jurisdiction are closed to the public.

The public is asked to be aware of ongoing construction in the area, and to obey construction signage.

We thank the public for its cooperation.
