River Valley Reopened at Comer Street Entrance

The River Valley Park and Trail System off the Comer Street entrance will be re-opened for public use by noon on Thursday, May 17th. The Frizzi Road access remains closed.

The River Valley route is intended to allow motor vehicle access to the lower parking lot of the River Valley. We ask that motor vehicles stay on designated travel areas and obey the 30 km/hr speed signs. Please note that the use of motorized recreational vehicles is prohibited through the entire River Valley.

We ask that users please respect private property when accessing the trail system and watch for walkers, hikers and cyclists at all times.

There will be no overnight parking or fires allowed in the River Valley, and those using the River Valley Park and Trail System do so at their own risk.

For more information, contact Gary Muraca, Director of Municipal Services, at (250) 392-1783 or gmuraca@williamslake.ca
