

TOP NEWS FROM THE CITY

A weekly roundup of great stories coming out of the City of Williams Lake.

September 6th 2019

1 SILVER SPITFIRE VISIT

The City of Williams Lake was honoured to host the Silver Spitfire as it made a refueling stop at the Williams Lake Regional Airport, part of a historic flight around the world.

2 REFRIGERATION UPGRADE AT THE COMPLEX

Upgrades have been completed to the Ice Plant and compressors, greatly improving the efficiency of our refrigeration needs for the Ice Rinks.

3 ICE RINK COMPLETE

Arena #2's Ice pad is complete and will be open to use by the public starting Monday the 9th of September.

4 SCOUT ISLAND BRIDGE

The Scout Island Bridge connecting the RC Cotton trail and Scout Island Trail network is further nearing completion as the main bridge begins fabrication.

5 GREEN COMMUNITIES LEVEL 2 RECOGNITION

The City has received recognition as a Level 2 community as the Province of British Columbia acknowledges The City's progress and efforts to achieve climate goals.

6 NEW MURAL

A new mural is underway for the City of Williams Lake. Slated for completion at the end of September, this interactive mural will bring vibrant colour to an area of 3rd Avenue South.
