## Statutory Holiday Changes

Dear Resident

If your collection day falls on a statutory holiday, the collection of your solid waste and recycling will not happen that day. Instead the collection day for that week will move ahead by one day.

For example, if Monday is the statutory holiday:

**Monday's** collection day will move to Tuesday,  
**Tuesday's** collection day will move to Wednesday,  
**Wednesday's** collection day will move to Thursday,  
**Thursday's** collection day will move to Friday.

This change will only occur for the week of the statutory holiday. The collection schedule of solid waste and recycling will return to normal the following week.

The color coding for the collection days are as follows:

Yellow – Mondays  
Blue – Tuesdays  
Green – Wednesdays  
Orange – Thursdays  
Red – statutory holidays

During those weeks where a statutory holiday is observed, please put your solid waste and recycling to the curb on the day as per your color code.

Please place the calendar on the back of this flyer in a convenient location as a reminder to ensure your solid waste and recycling are on the curb on the appropriate day.

If you have any questions, please contact the Municipal Services Coordinator at 250 392-1784 or the Manager of Public Works at 250 392-1785.

For recycling information, go to RecycleBC or RCBC websites [www.recyclebc.ca](http://www.recyclebc.ca) and [www.rcbc.ca](http://www.rcbc.ca) respectively to view acceptable materials that can be recycled curb-side.

Here are some easy do's and don'ts that can assist in making the collection of recyclables and solid waste easier for you and the collection services.

### Do's

- Have the garbage/recycling cart at the curb before 7:00 am on your collection day.
- Ensure your carts are at least 1.5 meters apart. Carts that are too close will not be collected.
- Take the garbage/recycling cart off the curb the same day as it is collected.
- Record the serial number on the side of your cart to identify your cart from your neighbors.
- Ensure the lid of the cart is fully closed. Partially open lids will not be collected.
- Clean all recyclables before putting them in the recycling container.

### Don'ts

- **Don't** put anything in the recycling cart except cardboard, plastic packaging, metal food cans, and paper packaging including magazines.

## **NO STYROFOAM, PLASTIC BAGS OR GLASS.**

- **Don't** put grass clippings or other organic material in the garbage or recycling carts. Organics can be composted or brought to the Frizzi Road Transfer Station.
- **Don't** leave your carts on the curb or put them out the night before. This interferes with winter snow removal and summer street cleaning. It also leaves carts open to vandalism.
- **Don't** put your cart any closer than 2 meters from any obstruction such as vehicles or landscaping.
- **Don't** take the carts with you when you move. The carts belong to that address,  
**NOT TO YOU.**
