

Statutory Holiday Pick Up

Dear Resident

If your collection day falls on a statutory holiday, the collection of your solid waste and recycling will not happen that day. Instead the collection day for the week will move ahead by one day.

For example, if Monday is the statutory holiday then:

Monday's collection day will move to Tuesday, **Tuesday's** collection day will move to Wednesday, **Wednesday's** collection day will move to Thursday, **Thursday's** collection day will move to Friday.

This change will only be for the week of the statutory holiday and will return to normal the following week.

The color coding for the solid waste and recycling days are as follows:

Yellow – Mondays
Blue – Tuesdays
Green – Wednesdays
Orange – Thursdays
Red – statutory holidays

During those weeks where a statutory holiday is observed, please put your solid waste to the curb on the day as per your color code.

Please place the calendar on the back of this flyer in a convenient location as a reminder to ensure your solid waste and recycling are on the curb on the appropriate days.

If you have any questions, please contact the Municipal Services Coordinator at 250 392 1784 or the Manager of Public Works at 250 392-1785.

Here are some easily done do's and don'ts that can assist everyone in making the collection of recyclables and solid waste easier for you and the solid waste collection services.

Do's

- Have the garbage/recycling cart at the curb before 7:00 am on your collection day.
- Ensure your carts are not any closer together than 1 meter. Carts that are too close will not be collected.
- Take the garbage/recycling cart off the curb the same day as it is collected.
- Record the serial number on the side of your cart to identify your cart from your neighbors.
- Ensure the lid of the cart is fully closed. Partially open lids will not be picked up.
- Clean all recyclables before putting them in the recycling container.

Don'ts

- **Don't** put anything in the recycling cart except: cardboard, plastic packaging, metal food cans, and paper packaging, including magazines,
NO STYROFOAM, PLASTIC BAGS OR GLASS. These items can go to the depot at 5025 Frizzi Road.
- **Don't** put the garbage/recycling carts any closer together than 1 meter.
- **Don't** leave your cart on the curb. This interferes with winter snow removal or summer street cleaning.
- **Don't** put your cart any closer than 2 meters from any obstruction such as vehicles or landscaping.
- **Don't** take the carts with you when you move. The carts belong to that address, **NOT TO YOU.**
- **Don't** put your solid waste carts on the curb the night before. This interferes with winter snow removal and summer street cleaning and leaves your carts open to vandalism.
