

ZONING AMENDMENT GUIDE

CITY OF WILLIAMS LAKE

What is Zoning?

Zoning is a means of dividing land into areas designated for different land uses and densities of use to ensure that growth occurs in an orderly and systematic manner. Zoning Provisions are contained in the City of Williams Lake Zoning Bylaw which outlines the land use regulations for each zone.

Before You Apply

It is recommended that the property owner gather as much information regarding their property and proposal as possible (e.g. legal description, title documents, and surveys) and meet with City staff to discuss their proposal. City staff will offer advice on which application(s) will be required and give the applicant the most current application package.

Submitting Your Application

The completed application forms and any other necessary documents should be submitted to the City's Development Services Division along with the appropriate fee(s). An application can only be considered complete, and start to be processed, once we have received all the required information outlined in the application form. Incomplete applications may be returned.

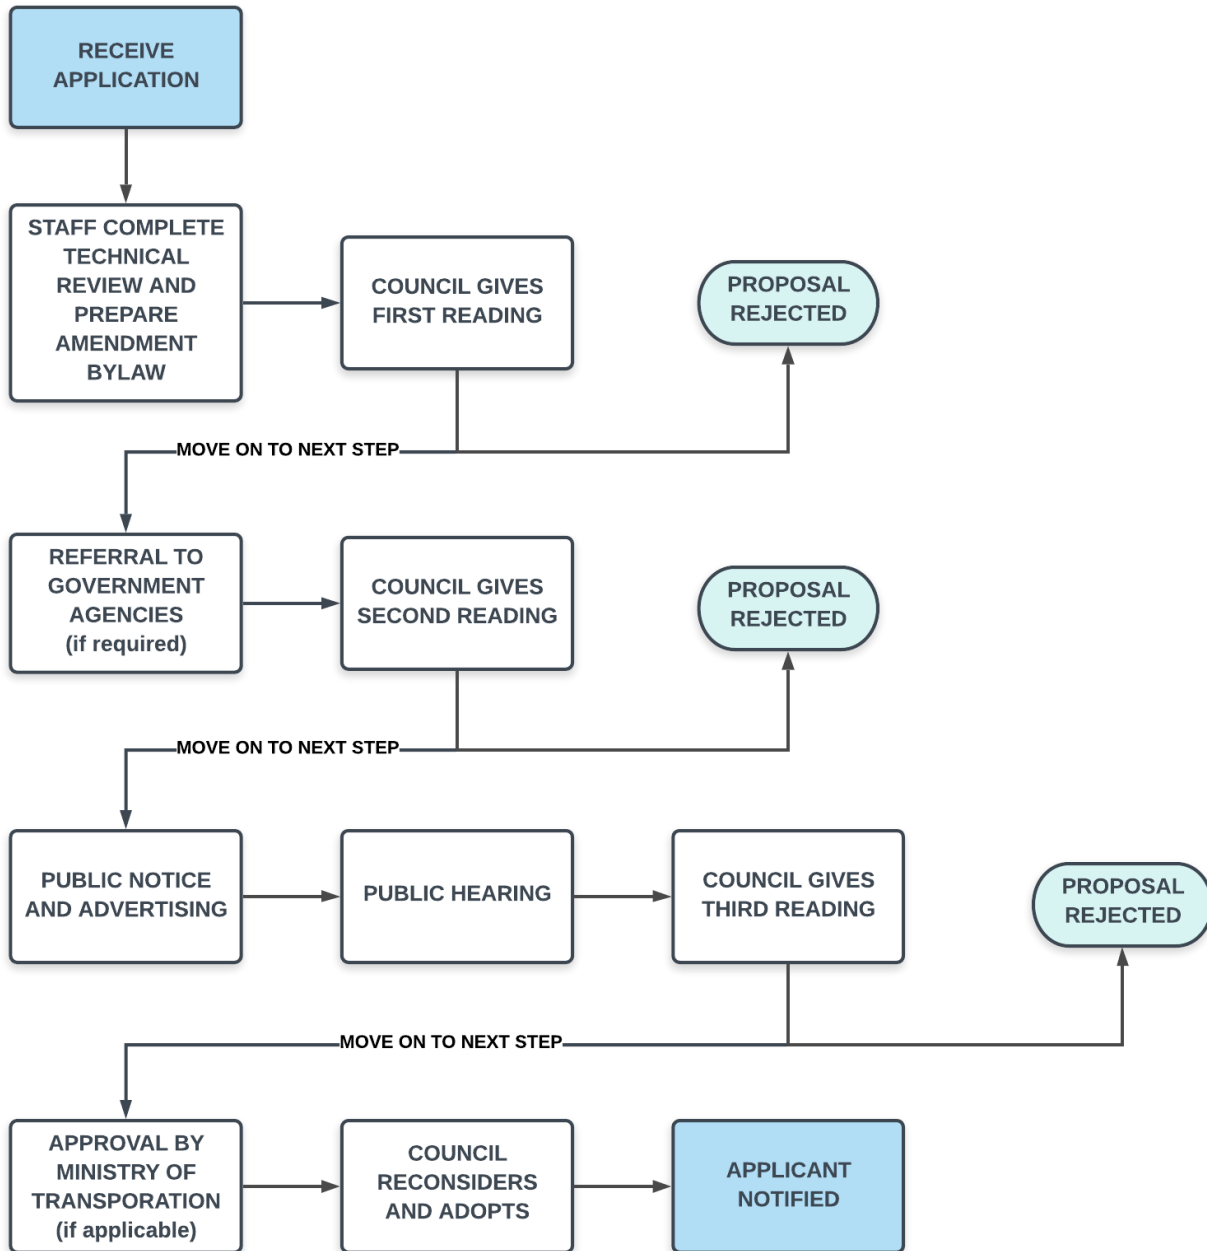

What is the Cost?

The applicant must submit an application fee of \$850, a \$400 deposit (refundable upon removal of Development Proposal Notice) and, if required, a \$100 Site Profile application fee made payable to the City of Williams Lake. If an Official Community Plan (OCP) amendment is also required, an additional application fee of \$300 will apply.

Who Approves a Zoning Amendment?

The City of Williams Lake Council authorizes final approval of an application by bylaw adoption. In some instances, prior approval from the Ministry of Transportation may also be required.

What is the Process?

Note: The zoning amendment process as described in this guide denotes only the basic application procedure. Please contact the Development Services Division to ensure all obligations are understood to expedite the approval process. This form is meant for guidance only and should not be construed by anyone as a right to approval if the steps indicated are followed. Please consult the *Local Government Act* and its regulations, the *City of Williams Lake Development Approval Procedures Bylaw*, the *City of Williams Lake Development Procedures Manual*, and any other applicable regulations for definitive requirements and procedures.
